REPORT AND RECOMMENDATION

To the Honorable State Personnel Board of Review:

This matter came on for consideration upon Appellee's Motion to Dismiss for lack of jurisdiction. Appellee contends this Board lacks jurisdiction to consider the instant appeal because Appellant's position is covered by a collective bargaining agreement. Appellant filed no memorandum *contra*.

O.R.C. Section 4117.10(A) states that where a bargaining agreement provides a grievance procedure which culminates in final and binding arbitration, the State Personnel Board of Review has no jurisdiction to consider an appeal from an employee subject to such collective bargaining agreement. Undisputed information contained in the record indicates that Appellant's position was classified as a Youth Leader 2, which is a classification included in a bargaining unit represented by the Fraternal Order of Police, Ohio Labor Council, Inc. Appellee and the Fraternal Order of Police, Ohio Labor Council, Inc. have signed a collective bargaining agreement covering the Appellant's bargaining unit. That collective bargaining agreement provides a grievance procedure resulting in final and binding arbitration.

Appellant appealed his removal, which is a grievable action pursuant to Article 18, Section 6 of the collective bargaining agreement. I find that this Board lacks jurisdiction over the subject matter of this appeal.

Therefore, I respectfully **RECOMMEND** that the State Personnel Board of Review **DISMISS** this appeal for lack of subject matter jurisdiction pursuant to R.C. 4117.10(A).

Administrative Law Judge
