REPORT AND RECOMMENDATION

To the Honorable State Personnel Board of Review:

This matter came on for consideration upon Appellant's filing of an appeal with this Board. Information contained in the record indicates that Appellant is a city school district employee.

R.C. Section 124.03(A) provides that this Board shall hear appeals of employees in the state service. R.C. Section 124.01(B) defines "state service" as follows:

* * *

> (B) "State service" includes all offices and positions in the service of the state and the counties and general health districts of the state. **"State service" does not include offices and positions in the service** of the cities, city health districts, and **city school districts of the state**. (Emphasis added)

* * *

Clearly, a city school district employee is not covered by the definitions set forth above and, subsequently, this Board lacks jurisdiction to hear a direct appeal brought by a city school district employee.

Therefore, I respectfully **RECOMMEND** that the instant appeal be **DISMISSED** for lack of jurisdiction.

Marcie M. Scholl
Administrative Law Judge
