REPORT AND RECOMMENDATION

To the Honorable State Personnel Board of Review:

This matter came on for consideration upon Appellant's filing of an appeal with this Board. In his notice of appeal, Appellant Orcena stated he received notice of his removal on June 26, 2015. His notice of appeal was filed with this Board on July 9, 2015, and that is the date he signed under his signature on the notice of appeal form.

I find that the State Personnel Board of Review is without jurisdiction to hear this appeal because the appeal was not filed within ten (10) calendar days following the date on which the order of removal was served on the employee, as required by Ohio Revised Code Section 124.34. Appellant Orcena, by his own admission, received notice of his removal on June 26, 2015, thereby giving him ten days from that date on which to file an appeal. Ten days from that date is July 6, 2015. His appeal was not filed until July 9, 2015, three days late.

Therefore, I respectfully **RECOMMEND** that the instant appeal be **DISMISSED** for a lack of jurisdiction.
