REPORT AND RECOMMENDATION

To the Honorable State Personnel Board of Review:

Appellant filed an appeal of her August 31 removal from employment with Appellee on September 11, 2015. Appellant indicated in her appeal that she received notice of her removal on August 28, 2015, and Appellee provided this Board with proof that the R.C. 124.34 Order of Removal was served on Appellant by personal service on that date.

O.A.C. 124-1-03(A) provides that appeals from R.C. 124.34 orders must be filed with this Board within ten calendar days following the date the order is served on the employee. I find that the State Personnel Board of Review is without jurisdiction to hear this appeal because the appeal was not filed within ten (10) calendar days following Appellant's August 28, 2015, receipt of the order of removal.

Therefore, I respectfully **RECOMMEND** that the instant appeal be **DISMISSED** as untimely.

Jeannette E. Gunn
Administrative Law Judge
