REPORT AND RECOMMENDATION

To the Honorable State Personnel Board of Review:

This matter came on for consideration September 19, 2012, upon Appellant's filing of an appeal of her involuntary disability separation.

I find that the State Personnel Board of Review is without jurisdiction to hear this appeal because the appeal was not filed within ten (10) calendar days after Appellant received notice of the Involuntary Disability Separation, as required by Ohio Administrative Code Section 124-1-03(A). In her notice of appeal, Appellant Snyder stated she received notice of her involuntary disability separation on September 8, 2011. Therefore she would have had ten (10) days to timely file her notice of appeal with this Board, or until September 19, 2011. (September 18, 2011 fell on a Sunday, therefore the appeal date would extend to the next business day which was September 19, 2011). Her notice of appeal was filed with this Board on July 26, 2012, approximately ten (10) months late.

Therefore, I respectfully **RECOMMEND** that this appeal be **DISMISSED** for untimely filing.
