Case Number 12-REM-06-0150

Judge James R. Sprague

To Judge James R. Sprague and the SPBR board, I LoJuan D. Holloway am submitting this letter to officially withdrawal my case against Columbus State Community College. While I know that I have a legitamate case against Columbus State after several months of unemployment I lack the financial assets to secure proper legal representation. How I was treated by the Columbus State Community College in the matter leading up to my termination was heartless and totally the opposite of how an employee with 10 years of documented excellent job performance should have been treated. Please let it be known that the only reason that I am dropping the case at this point is due to the lack of finances to secure a lawyer. Judge Sprague I want to thank you for taking the time that you did to hear my arguments in the pre-hearing. I also want to thank you for affording me the opportunity to have a trial after hearing my arguments. A copy of this letter is being sent to the Attorney Gernerals office as well for their records. With that being said God knows all and see all so I can rest in knowing that my family and I are covered and will be just fine. Again to you Judge Sprague I say thank you.

Sincerely,

LoJuan D. Holloway
