Subject: RE: SPBR Hearing

Nicole,

I've decided not attend the SPBR hearing on Thursday. This agency and office has done everything within their power to reduce my position to fit into the reclassification category I'm currently in. To continue to pursue the appeal would further reduce my morale and increase my daily stress, which I don't need.

At this time, the appeal is a waste of time given the comments and lack of support from management within Contracts and Acquisitions.

Anthony, I am wondering if you are planning on attending the SPBR hearing scheduled this Thursday at 10 am on the appeal that you filed regarding your classification? I firmly support every employee in their decision to take advantage of their right to appeal, but if you are not interested in pursuing your appeal, it is helpful to know in advance so that we can call off the hearing.

If you haven't made up your mind yet, that's just fine. When you do make up your mind, would you be so kind as to let me know your decision?
