REPORT AND RECOMMENDATION

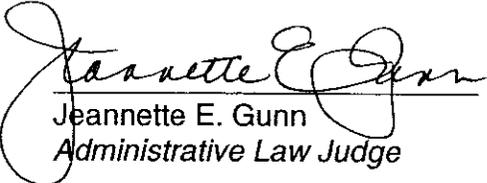

To the Honorable State Personnel Board of Review:

This matter came on for consideration upon Appellee's Motion to Dismiss, filed with this Board on September 2, 2015. Appellee asserts that this Board lacks jurisdiction to consider the instant appeal because it was not filed in a timely manner. Appellant filed no memorandum *contra*.

Based on the uncontroverted evidence contained in the record, I find that Appellant was personally served with an R.C. 124.34 Order of Removal on July 20, 2015. The record reflects that Appellant filed his appeal of that removal with this Board on August 3, 2015, approximately fourteen days after the Order was personally served on him.

Ohio Administrative Code 124-1-03(A) provides that appeals from "section 124.34 orders" shall be filed within ten calendar days following the date the order is served on the employee. Accordingly, I find that the State Personnel Board of Review is without jurisdiction to hear this appeal because the appeal was not filed within ten calendar days following the date on which the order of removal was served on the employee, as required by Ohio Administrative Code Section 124-1-03(A).

Therefore, I respectfully **RECOMMEND** that Appellee's Motion to Dismiss be **GRANTED**, and the instant appeal be **DISMISSED** as untimely pursuant to O.A.C. 124-1-03(A).
